

Dear Parents,

The Birthday Book Program is back. It's a way for your child to celebrate his or her birthday and for us to build the Grace School Media Center's book collection.

Here's how it works: for a minimum donation of \$16.00, your child may select a book from the Media Center's Birthday Book List (or suggest a title) to donate to the library.

A color bookplate with your child's name will be placed inside the book. For Kindergarten through 2nd graders the story will be read to the class at library time, with an announcement that it is from your child. In all grades he or she may be the first person to borrow the book.

If you would like to participate in the Birthday Book program, please return this form by the end of the week. A reminder will be sent home with your child shortly before his or her birthday.

Please consider honoring your child's special day by improving the quality of Grace's Media Center collection for all our students.

Thank you,

Christa Holm
